EURYalum Niſus fidum ſibi legit amicum,
Pollucem Caſtor, Theſea Pirithous.
Ex multis Pylades vnum ſibi legit Oreſten,
Vnum Patroclus legit & AEaciden.
At cur de multis legit ſibi quilibet vnum?
Eſt quia rara nimis, fidus amicus, auis.
Fallor, an iſtorum, Princeps, exempla ſecuto,
ANNA, cui fidus, lecta Duciſſa, tibi eſt.
Et rectè: quis enim tibi amicus, amicior illa?
Coniugium gradus eſt ſummus amicitiæ.

Vortraw/ ſchaw Wem.

DV ſolt nicht jederman Vortrawen/
Sondern zuuor dich wol vmbſchawen:
Die Welt iſt falſch/ voll arger liſt/
Trewr Freund ein ſeltzam Wildprät iſt.

Viel Tiſchfreunde beger dir nicht/
Es iſt mit jhn nichts außgericht:
Bey viel Hirten wird vbel ghütt/
Bey viel Köchen das Muſs verſchütt.

WOL dem/ der nur einen Freund hat/
Welcher den ſtich helt im der Not:
Der wer mir liebr denn Sylber vnd Gold/
Jch můſt jhm ſein von hertzen hold.

Kein beſſer Freundſchafft man nicht findt/
Denn wo Zwey trew Ehleute ſind.
Jm Ehſtand iſt die gröſte Trew/
Das gleube mir ohn alle rew.

Ein fromm Weib iſt der beſte Freund:
Ein böß Weib iſt der ergſte feind.
